

If it's to do with **SAILING**, it's to do with **MIRAMAR**

Brian & Pippa

Brian & Pippa met in April 2006 and joined forces to create Miramar Sailing. The plan was to build the most professional, yet personal, sailing operation in the Caribbean. Our progress to date shows we are succeeding. Brian & Pippa got married in March 2010.

"LADIES ONLY" WEEKS AGAIN PROVE A LOT OF FUN!

Our second "Ladies Only" week of the year saw Maria & Andrea achieving RYA Competent Crew Certification. They had such a great week with Pippa that they felt compelled to "pop a cork" on a bottle of bubbly, to round off a great time!

Brian's thoughts are:
"The girls all appreciate the testosterone free zone, the lack of wet towels on the floor, and the opportunity for some good old, private and uninterrupted girlie chat! Our "Ladies Weeks" are a brilliant alternative to "Ladies do Lunch".
 Get a group of girls together and we offer discounts.

Learn with us!

We started our RYA Recognised Training Centre in August 2010 and since then have taught novice and experienced sailors at all levels of the RYA Sail Cruising & Yachtmaster Scheme. Many of those novices who have walked on our decks have been surprised at how straightforward the basics are, and how relaxing it is to be out on the water powered only by the wind. Learning this new skill should not be daunting at all, and under our qualified and experienced guidance, it will definitely be a lot of fun!

Nevis, Kitts & Guadeloupe are all within striking distance. Whether you are seeking a private romantic few days together, or prefer a party for up to 8 guests sailing in company on 2 yachts, the break will do you a world of good!

OWN YACHT TUITION

To many, the thought of sailing, let alone owning your own yacht, is daunting! When we first started sailing we were just the same! Knowledge is gained through learning, and experience is gained by doing! With our expert guidance you will soon master all aspects of owning your own yacht, not only how to sail it, but also how to manage and maintain it as well as how to plan your cruising to enable you to start "Living the Dream"! RYA Certification available.
