

Date Set For 13th Gillian Brazier Shoot-Out

Already, the French countries of Martinique and Guadeloupe are showing keen interest in participating and St. Lucia is beginning to plan for its return, after its absence, last next year. All interested overseas teams should contact the CPTSA, as soon as possible for further information, especially on the cost of accommodation.

The Gillian Brazier will come one week after the hosting of the 5th Annual Sir Reginald Samuel Track & Field Classic, scheduled for May 4 & 5, 2013.

The CPTSA is anticipating the annual visit to Antigua/Barbuda of the University of the Fraser Valley of British Columbia, Canada, which is also expected to participate in the Tournament. Last May, the Physical Education students of UFV were very helpful with the officiating of the Sir Reginald Samuel Track & Field Classic.

The CPTSA is also planning to invite USA coaches and, at least, two overseas referees. In this respect, the CPTSA, besides fund-raising, will be shortly soliciting the assistance of the business community to improve the Tournament. The main sponsor of the Gillian Brazier Basketball Shoot-Out and Female Football Tournament for the past ten (10) years has been Hutchinson (Antigua) Ltd.

The basketball tournament for women has been organized in honour of a former Nation Club Player, Gillian Brazier, who is paralyzed with Multiple Sclerosis.

The Concerned Parents/Teachers Sport Association Wings Sports Club has set the date, May 12—19, 2013, for the hosting of the 13th Annual Gillian Brazier Basketball Shoot-Out.

The last Tournament was held in March of 2012, which was won by Guyana.

The CPTSA is expecting that with earlier information to all Caribbean Countries and contacts in the USA and Canada, that a record number of teams will be able to participate.

Wings draw in Warriors Cup

In their first encounter of the 2012 Warriors Cup, CPTSA Wings and Earthquake played to a 2 –2 draw at the John Hughes Football Field on Saturday, August 11.

Gerald Williams and Rashawn Looby penetrated for Wings, while Dwayne Lavonn found the net twice for Earthquakes.

Agreement signed to initiate Sports Village

Representatives present at the signed agreement for the Antigua/Barbuda Sports Village Project

Following Cabinet's agreement to accept the recommendation of the Ministry with responsibility for Sports, for the Government to enter into an agreement with the principals of C2C Limited, represented by Mr. Alton Urban, to develop a Project to establish the Antigua Sports Village, the joint agreement was signed on Friday, August 10, 2012, at the office of the Prime Minister.

The agreement will grant the right to the project team to proceed with formulating the project to construct the Antigua/Barbuda Sports Village. Once all the relevant requirements have been met, it is anticipated that a Company, the Antigua Sports Village Inc, in which both C2C and Government will be major shareholders, will follow through on the construction of the Village.

In keeping with the usual practice to engage the key stakeholders in the planning and implementation processes, consultations are scheduled to begin late August, 2012. The project team has been given a specific time frame within which to complete the planning process to include financing.

While the concept of the Sports Village has been on the table since the construction of the Sir Vivian Richards Cricket Stadium, the genesis of this specific proposal from Mr. Alton Urban, emerged from consultations held with all major stakeholders in the first half of 2009, when the Office of the Minister of State: Sports, Local Government and Special Projects compiled its Strategic Plan entitled, 'Continuing the Promise.' Stakeholders were invited to submit proposals for consideration, which would fulfill or assist in realizing one or more of the five main areas of the Plan.

Director of Sports, Mervyn Richards signs Agreement

The Antigua/Barbuda Sports Village Proposal, as submitted by Mr. Alton Urban from C2C is one such initiative. As was the case for all other initiatives under the Plan to date, following initial discussions, Mr. Alton Urban was asked to refine his idea and return with a proposal for the consideration of the relevant Government Authorities, whether it would be approved for moving to the next level. Mr. Urban followed through on the requirements.

It is expected that this phase of the Project will result in a comprehensive plan designed to, not only increase the level of participation and performance in sports and recreation, but also assist in developing the sector into an economically viable one.

Mr. Alton Urban (L) and Mr. Keith Gill (R)

In its preliminary concept, it is anticipated that the Antigua/Barbuda Sports Village will be constructed on lands surrounding the Sir Vivian Richards Cricket Stadium. This establishment is expected to provide quality venues for a number of indoor and outdoor sports as well as conferences, training and conventions. The Project design should be one which produces an economically sustainable product.

Also present to sign the agreement on behalf of C2C Design was Mr. Keith Gill. Signing on behalf of the Government were the Permanent Secretary with responsibility for Sports, Mr. Jessel Edwards, and the Director of Sports, Mr. Mervyn Richards.

Meanwhile, at the signing, the Antigua/Barbuda Sports Village Logo and banner were unveiled. Polo shirts and an investor package were also presented to Prime Minister, Dr. Hon. Winston Baldwin Spencer, and other Government representatives that were present.

CPTSA Committee officials of the various sectors are kindly reminded of the Meeting & Constitutional Review, scheduled for Saturday, August 18, at the CKHS, starting at 10:30 A.M.
