Invitation REF: Disaster Risk Reduction Exhibition

The International Day for Disaster Risk Reduction, held each year on 13 October, celebrates how people and communities around the world are reducing their exposure to natural hazards.

In observance of the day, a week of activities will be held from October 13 – 18 culminating with an expo.

We are thrilled to extend a corcial invitation to you to attend the D saster Risk Reduction Exhibition hosted by the National Office of Disaster Services (NODS) on Friday 18th October 2024 at the Multi-Purpose Centre, located at Perry Bay.

The theme for this year's exhib tion is "***Empowering the Next Generation for a Resilient Future***". Through interactive displays, informative presentations and engaging discussions, the event aims to highlight innovative approaches and strategies that empower individuals and communities to build resilience in the face of disasters.

Thank you for considering our invitation and we hope to see you at the event.
