

Oh, what a night!

*Prize giving and
Youth Sailing Program
Fund raiser*

August 22 2009

The stars were out in force on the final day of the JHYC Summer Series on August 22. Great helms such as Geoffrey Pidduck, Iain Mellows, Tommy P and Tony, to name just a few, were seen polishing their shades in the final thrust for success and glory in the JHYC Summer Series. In the SPH class, Miramar was squaring up to Mackenzi, Seaquel

and Chardonnay on the start line with Tessa – the smallest boat in the SPH class packing a punch with extra beer on board. The excitement was in the air – the final race in the Series to prove you are the best of the best in Jolly Harbour Yacht Club.

Brisk breeze and glorious sunshine sorted out the men from the boys. The results were in and the prize giving began at the Foredeck Bar 'Club House'.

Aiden of Sugar Ridge Developments – proud sponsor of JHYC - was on hand with baby Sam to present the fantastic trophies created by Sign Pro and the donated prizes of Mount Gay Rum gift baskets and cases of Carib for top 3 places in both Classes. Budget Marine also donated sailing gloves which should come in handy for the Autumn Series.

Brian – Rear Commodore Sailing - and Lynda Timekeeper/Membership Sec/Treasurer/all round good person, were the glamorous two overseeing the evening's proceedings:

The Youth Sailing Program fund raiser

For those who gave so generously to Adventure Antigua's 'donation buckets' – a huge thank you. Not to mention young Wills who was seen taking the buckets around the bar and encouraging extra donations! (not shown in picture!).

Eli Fuller and crew will be taking the YSP kids out for a days sailing on his Carriacou sloop 'Ocean Nomad'.

And the grand total of funds raised for the Youth Sailing Program:

EC\$ 2,783

...of which EC\$385 went into Adventure Antigua's brilliant buckets!

So many companies donated great, great prizes for our YSP Fund Raiser raffle – too many to mention here, but again a huge thank you.... Raffle tickets were sold behind the bar, by Pippa and by Timekeeper Lynda and here's a few of the lucky winners and those companies who gave so generously for such a great 'youth' cause....

The evening continued with great live music provided by Angie's Foredeck Bar.

Monkey TLi rocked the house into the evening...
