Client Care and Health Considerations

At 'Isabella's Travel Spa', we aim to protect your modesty during all Body Treatments and encourage you to disrobe only to your level of comfort. Prior to your treatment, you will be asked to fill out and sign a "Consultation Form" with an insight to your most current Medical status.

Please note that our Body Treatments often stimulate increased blood flow which may be contra-indicatory to certain Medical conditions. Therefore, Body Treatments on ladies in the first trimester of pregnancy will be limited to Manicures and Pedicures.
