Dear All,

**Re: Fare Structure For Passengers Traveling To And From
V.C. Bird International Airport**

Please be advised that the fare structure for passengers travelling to and from V.C. Bird International Airport has been modified, as follows:

1. The current ride structure which is in place consists of 1 to 4, be changed to reflect 1 to 2 persons as a ride.
2. Where a nuclear family consisting of a husband and wife with two children under the age of 13 will make up a ride, any additional members of that family will pay 50% of a full ride.
3. All other combinations and permutations of passengers will be required to observe a ride as 1 to 2 persons.
4. This adjustment will come into effect on September 01, 2020 until December 31, 2020, at which time it will be revisited.

Consequently, all stakeholders are obliged to take note of the forgoing and put into effect the approved new process for the passenger ride structure.

Sincerely,

Hubert Jarvis
General Manager, ABTB.
